Stamped Envelopes.

POST OSPICE DEPARTMENT, May 30, 1857.

for use, in such quantities as may be required to fill the orders of post-masters.

An agent of the department will furnish the address for each parcel, which is to be pasted on the box by the manufacturer without charge. The dies for embossing the postage stamps on the cavelopes are to be executed in the best ctyle, and they are to be provided, renewed, and kept in order at the expense of the contractor.

Bidders are requested to furnish samples of paper, with their bids, of the quality they intend to use in the manufacture of the envelopes they propose to furnish.

Bond and security will be required for the faithful performance of the contract, and payments under it will be made quarterly. Price, quality of samples, and the sofficiency of the bidder will be considered together in awarding the contract; and the Postmaster General reserves to himself the right to amnol it whenever he shall discover that the same, or any part of it, is offered for sale in the market for the purpose of speculation; and he will in no case sanction a transfer of the contract to any party who shall be, in his opinion, less able and qualified than the original bidder or contractor. The right is also reserved to annul the contract for a failure to perform faithfully any of his stipulations.

erved to annul me contract of a limits is stipulations.

The number of envelopes issued to postmasters in the quarter ending March 31, 1857, is stated below:

United States Patent Office,

Washington, May 20, 1857.

N the petition of Norbert Rillieux, of New York, praying for the extension of a putent granted to him on the 26th of August, 1843, for an improvement in sugar, for sever years from the expiration of said patent, which takes place on the 26th day of August 18357—

Ris ordered that the said petition be heard at the Patent Office of Monday, the 17th day of August 18357—

Ris ordered that the said petition be heard at the Patent Office of Monday, the 17th day of August next, at 12 o'clock, m.; and all prema are notified to appear and show cause, if any they have, why set petition ought not to be granted.

Persons opposing the extension are required to file in the Patent Office their objections, specially set forth in writing, at least twenty days before the day of bearing; all testimony filed by either party to be used at the said bearing must be taken and transmitted in accordance with the rules of the office, which will be furnished on application.

The testimony in the case will be closed on the 7th of August; depositions, and other papers relied upon as testimony, must be filed in the office on or before the morning of that day; the argument, if any, within ten days thereafter.

Ordered, also, that this notice be published in the Union, Indiffusencer, and Evening Star. Washington, D. C.; Republican, Baltimore, McL., Pennsylvanian, Philadelphia, Fr.; Isdly News, New York, New York; and Post, Bostom, Mass, once a week for three successive week previous to the 17th of August next, the day of hearing.

Commissioner of Patents.

P. S.—Editors of the above papers will please copy, and send the bills to the Patent Office, with a paper containing this notice. May 21—1aw3.

Of the removal of the land office from Fuyettee to Boonville, in the State of Missouri. In accordance with the provisions of the act of land effices, approved March 3, 1853, it is hereby declared and make known that the office for the sale of public lands at Faverra, in the State of Missouri, will be removed to the town of Booxville, in sale State, at as only a period as practicable.

Forther notice as to the precise time of removal will be issued by the register and receiver at the Fayette land office.

Given under my hand, at the city of Washington, this 18th day of May, A. D. 1857.

By order of the President:

Proposals for Wood and Coal.

SEALED PROPOSALS will be received at the office until 12 o'clock, m., on Welnesday, the 10th day of the next, for furnishing and delivering in the vanits of the Capitol, for those of the House of Representatives, on or before the 15th day of tober next, two hundred tons (of 2,240 pounds to the ton) of best thractic white-ach cost, in lemps of not less than three hor more if six nothers in diameter, and entirely free from slate or other foresubstances.

six mothes in diametur, and entirely free from slate or other forcizabletaness.

Also, for two hundred cords of first quality seasoned hickory wood,
to be measured in the Capitel yard, twenty-five cords to be sawed in
three piaces, and the balance to be sawed in two pieces, and properly
packed away in the vanits at the expense of the contractor; the while
to be subject to the inspection and approves of a person to be appoint
by the Check of the House of Representatives.

Security for the faithful performance of the contract for furnishing
the above articles to the satisfaction of the Clerk of the House of Rep-resentatives will be required.

Proposals may be apparate, and should be endorsed "Proposals for
Wood" and "Proposals for Coal," and directed "to the Clerk of the
House of Representatives U. S., at Wachington, B. C.
